## **The Springfield Motorcycle Show January 20-22, 2012 Eastern States Exposition West Springfield, MA**

*The Springfield Motorcycle Show* will be roaring back January 20-22, at the Eastern States Exposition, West Springfield, MA. This Seventh Annual all-brand motorcycle show brings future riders and the entrenched biker to this top event.

*The Springfield Motorcycle Show* has earned the respect of the entire Northeast as the best high-end, top-shelf motorcycle event of the winter season. Bringing together the greatest machines, builders, stars and 'gear' retailers that can be found, the fun and enjoyment is suitable for just about everyone.

"You wanted Mikey back again, we'll give you him!" Superstar guest from **American Chopper**, will be the one and only **Mikey Teutul**! Brought back by popular demand he'll be at the show for Friday and Sunday for photos, autographs and plenty of fun! On Saturday Mikey's 'Fun Crew' with personal assistant Mike Randazzo and team, will be giving away a limited amount of 'gift bags' to fans in Mikey Teutul's absence. There will be some of his merchandise along with signed items from the guys at Paul Jr. Designs shop.

Motorcycle TV's top female icon of all times **Michele Smith** will be at the show on Saturday only! Returning after being the 'star' of the Springfield Motorcycle Show for its first three years, Michele is looking forward to seeing her many friends at the show again. Bring your camera for photos with both her and Mikey this special weekend.

'Brand new' To this year's show is the '**Northeast Best of the Best Build-Off**', pitting four top shops of the Northeast against each other in a three-day 'ground-up' custom motorcycle build. This first time, action packed 'wrench-fest' is sponsored by the law agency of **Trantolo & Trantolo**. See the famous 'Trantolo Girls' at this first annual build-off competition!

Customers will have the opportunity to not only see the machines growing in front of their eyes but they will have the opportunity to vote for the winning build too!

The four builders are: **Northeast Chop Shop** of Windham Maine, **Deadwood Choppers** of Long Island NY, **Ready Customs** of Manchester New Hampshire and **Satan Cycles** of Albany New York.

You can also catch the '**Haymond Girls**' during the 'Awards Ceremony' of the always popular '**Bike Competition**'. In its 7th year, the competition has run every year of the show where everyday motorcycle owners and start-up shops compete for trophies and cash prizes. Again this year **Haymond Law** is the sponsor the 'bike competition proving their commitment to the motorcycle community.

New to the show is **Harley Davidson of Southampton** with all intention of making a '*roaring entry*' by bringing sponsorship and a great 'new' attraction. In coordination with the Harley Davidson 'Jump Start' program an actual 'running' HD motorcycle will be set up for folks to sit on and 'get the feel' of riding. This special machine is a "*No licence or experience needed*" stationary device. Trying out this motorcycle will provide beginner and experts alike the chance to see if this is their type of ride. Folks wanting to 'take this ride' should contact them to schedule a time to try it out at the show: [www.harleyofsouthampton.com/](http://www.harleyofsouthampton.com/)

Southampton Harley-Davidson is also joining in the festivities by sponsoring the Springfield Motorcycle Show '**Motorcycle Fashion Show**' featuring the always hot Haymond Law beauties. This fun and fashion

show is always a crowd favorite! Watch the girls strut the latest motorcycle fashions on Saturday.

Returning is our own 'hometown' motorcycle tech guy and builder **Rich Pitoniak** of **Pitoniak's Custom Cycles**. Rich has enjoyed great international fame through writings for *Iron Horse Magazine* and numerous photo shoots of his crown jewel '**Pain Killer**'. He's the regular 'tech' editor for the *MA Bikers Information Guide*. His articles cover everything mechanical from porting engines to drivetrains.

Biker life-style artist **John Guillemette**, displays his oil on canvas paintings and portraits, many limited editions, appearing in motorcycle publications such as *V-Twin*, *Easyriders*, *Hot Bike*, etc. and at custom bike shows. This year's '*first time showing anywhere*' print will be '*The Captain America Bike*'. Be one of the first in the biker community to see and have the opportunity to own this print.

**Scott Porges** of **American Motorcycle Service** will be bringing a whole new array of 'old school' bikes with master-builder magic build right in. His 30 yrs in the business has seen him creating custom built motors & trannys, a balance between old 'school tricks' & the ingenuity of today's technology.

"The Springfield Motorcycle Show welcomes our great sponsors to the show, the dynamic 'rock radio duo' of **WAQY Rock 102.1**, Springfield's Classic rock station and its sister company **Lazer 99.3**. The **Springfield Motorcycle Show** is proud to bring this fine collection to motorcycle enthusiasts here at the "Birthplace of the American Motorcycle".

Again this year AMCA, **Antique Motorcycle Club of America**, displays fantastic bikes of the past guaranteed to bring us back in time. A 'Motorcycle Timeline' is reminiscent of the world famous one at their national show in Rhinebeck, NY.
